## EDUCATION

<b>G. Pullaiah College of Engineering and Technology</b> , Kurnool	2022 – 2026
B.Tech in Computer Science and Engineering	CGPA: <b>8.24</b>
<b>Sri Chaitanya Junior College</b> , Chittoor	2020 – 2022
Intermediate (MPC)	CGPA: <b>9.6</b>
<b>Keshava Reddy English Medium High School</b> , Chittoor	2020
SSC	CGPA: <b>9.3</b>

## TECHNICAL SKILLS

<b>Programming Language</b>	Java (OOPs, Collections, Exception Handling, JDBC)
<b>Web Technologies</b>	HTML, CSS, JavaScript (Basics)
<b>Database</b>	MySQL (Joins, Subqueries, Normalization)
<b>Core CS Concepts</b>	Data Structures and Algorithms, DBMS, OS Basics
<b>Tools</b>	Git, GitHub, Eclipse IDE
<b>Software Engineering</b>	SDLC, Agile (Scrum Basics)

## PROJECTS

<b>Issue Tracking System</b>	Aug 2024 – Nov 2024
<ul style="list-style-type: none"><li>Developed a <b>Java-based Issue Tracking System</b> using <b>Java and MySQL</b> to manage and track issues.</li><li>Implemented <b>CRUD operations</b>, issue prioritization, and <b>status workflow</b> (Open, In Progress, Resolved, Closed).</li><li>Designed relational database schema and wrote <b>optimized SQL queries</b> for efficient issue retrieval.</li><li>Applied <b>validation logic</b> to ensure accurate issue transitions and data integrity.</li></ul>	
<b>Medical Shop Website</b>	Jun 2024 – Jul 2024
<ul style="list-style-type: none"><li>Designed and developed a <b>responsive medical shop website</b> to display medicine details and store information.</li><li>Implemented frontend using <b>HTML, CSS, and basic JavaScript</b>.</li></ul>	

## INTERNSHIP

<b>SkillDzire – Full Stack Java Intern</b>	May 2025 – Jun 2025
<ul style="list-style-type: none"><li>Practiced <b>Core Java programming</b> with focus on OOP concepts such as inheritance, polymorphism, and abstraction.</li><li>Implemented backend logic through guided Java-based exercises and real-world problem statements.</li></ul>	

## CERTIFICATIONS

- Fundamentals of Deep Learning – NVIDIA
- Career Essentials in Software Development – Microsoft & LinkedIn
- Software Engineering Basics for Everyone – IBM
- Introduction to Artificial Intelligence – IBM SkillsBuild
- MongoDB Java Developer Path – MongoDB
- Cambridge Linguaskill General – B2 CEFR Level
- Deloitte Technology Job Simulation – Forage
